## RELEVANT EXPERIENCE

### Front End Web Developer, Lambda School Ticketing System Project — HTML & CSS Page Designer & Developer

June 2020

During a Build Week at Lambda School I was in charge of creating and building the visible web pages for a ticketing system. I used LESS to construct the landing and about pages.

## JOB EXPERIENCE

### Defiance Game Studio, Toronto CA — 3D Artist & Dungeon Design for Video Games

July 2019 - July 2020

I've been working with Defiance Game Studio to create their 3D Dungeons for the game "Archmage Rises". I've been in charge of asset stylization and room design.

### Soma Games, Newberg OR — 3D Artist & Scrum Manager for Video Games

July 2015 - February 2019

I worked with Soma Games as a 3D artist for 3 years, and was a team lead for one of those three years. I helped develop and ship the video game "Redwall: The Scout". In addition I also was in charge of project management & task delegation for the team, using a practice called "Scrum".

### Lifeway Christian Resources, Cary NC — Manager & General Associate

November 2012 - July 2015

I worked at Lifeway Bookstore for 3 years, and was a shift manager for one of those years. I was in charge of closing or opening up the store, directing team members, and taking care of customers.

## OTHER EXPERIENCE

### Fidgetech, Lake Oswego OR — Instructor

July 2014 - July 2015

I developed the curriculum and taught a week long bootcamp teaching autistic adults how to create 3D models in Blender 3D. This bootcamp was part of a program aimed to prepare autistic adults for working within the tech industry.
